USSR 178-Canada 156

The struggle for third place in world supremacy of swimming had its first phase at the Etobicoke Olympium, April 20-21 as Canada was defeated by the Soviet Union 178 to 156.

Soviet head coach **Sergei Vaitsekovsky** expected a tough challenge from the Canadian team, especially after their previous two weekend meets. On the first occasion, they won their annual dual meets against the German Democratic Republic 177 to 167 for the first time in nine years. They followed that by a solid trouncing at the hands of the USA as they didn't win a single event and lost 233 to 111. They came to redeem themselves, and salvage at least their world rating against Canada.

Canadian men's coach **Don Talbot** predicted a win for Canada, expecting 50% of the men's events to be won by Canadians and an easy win for the women's team in everything except breaststroke where the Soviets had new world record holder in **Julia Bogdanova.**

Our expectations were not quite met.

The Soviet men won 11 out of the 15 events and bettered two USSR records in the process. Most impressive swims were posted by **Alexander Fedorovsky** who won the 100 breast with a 1:03.33 a Soviet record and the fastest time in 1978. In the process **Graham Smith** who was placed in lane 7 swam to a fine 1:04.17. His outside lane location could have cost him the race, as he found it tough to judge his position during the race and repeatedly turned to see where he was. Graham took revenge on the Soviets by winning the 200 in 2:21.85 defeating **Vladimir Tarasov**.

Another good performance was turned in by **Dan Thompson** in winning the 100 fly in his lifetime best of 55.91. He is a good example of the kind of performance that is possible when a suitable occasion can be found.

Bill Sawchuk was the top male swimmer for the Canadian side. He won the 200 individual medley in solid time of 2:06.16 and then led-off the 4 x 100 free relay with a new Commonwealth and Canadian record time of 51.78 to inspire the men's team to narrowly beat out the highly rated Soviet team in that relay.

Our women swam well, but not as well as we needed them to win the meet. We were weak in some events where we usually have been strong.

Gail Amundrud was in great form, as she bettered the Commonwealth and Canadian record for the 100 free on two occasions, first in winning the 100 and then leading off the relay to establish a time of 57.17. She also won the 200 free in 2:02.94.

Wendy Quirk swimming in superb early season form won both 100 and 200 fly events with times of 1:01.82 and 2:13.87, placed second in both 100-200 free and helped both winning relays.

Most impressive of the Soviets was their breaststroke depth as they swept both events with **Julia Bogdanova** winning the 100 in 1:12.62 (she split 1:11.9 in the relay) and Olympic Champion **Marian Koshevaia** taking the 200 in 2:37.01.

The Soviet girls are improving, and proof of that was their freestyle swimming. Although the Canadian girls swept the 100 and 200 free, in the 400 they managed a second and **Irina Axenova** won the 800 free for a Soviet record in 8:51.53, a routine in-season time in Canada, but our girls were not up to it.

Our backstroke strength remains strong as **Wendy Hogg** took the 100 in 1:04.38 and **Cheryl Gibson** the 200 in a best-ever of 2:16.08.

The meet organization was superb, the Olympium had a full house both nights, with over 1,500 spectators in attendance. Half of these being swimmers who were able to get in for $2. while top adult tickets being $5.

DDR vs USSR
Leningrad, Apr.8-9 50 m pool

The 17th annual dual meet between the Soviet Union and the German Democratic Republic was won by the Soviets 177 to 167 The Soviet men totally dominated the German rivals while the women of the DDR defeated the Soviets.

Two new World Record were set by the women, one by Julia Bogdanova of the USSR in the 200 metres breaststroke with her time of 2:33.32 and the other by Andrea Pollack of the DDR in the 200 fly with 2:11.20. Sergei Fesenko of the USSR posted a European best in the 400 im.

USA vs USSR
Austin,Texas,Apr.15-16 25 m pool

The United States hosted the Soviet Union for a **short course** dual meet. The Yanks won all 29 races easily winning the meet 233 to 111.

The winning times in all but four of the events were the best ever done for a 25 m pool.

Top performers for the US were Scott Spann of Auburn Univ. winning the 100-200 breast, 100 fly and 200 im. While, Tracy Caulkins, the new hope of American women's swimming took the 100-200 breast and 200-400 im.

The winning times were most impressive:

Winter Division II '78

Tim and Brian MacManus, of Windsor AC

The first Division II Winter Championships was held over the weekend of March 31 - April 2.

The two sections of the meet were held in the University of Calgary's Phys.Ed. complex in the West and the Claude Robillard pool in Montreal for the East.

Participation in both meets was down somewhat in comparison to last summer's meets:

	East	West
1975	233	150
1976	295	152
1977	356	212
1978	313	188

It's too bad that more clubs and swimmers have not taken to this meet in the West. It should be the highlight of the Winter season for all those hundreds of age groupers who are competing week after week in so many meets but just fall short of qualifying for the Nationals. Division II is an opportunity to get the taste of real swimming, with a 'nationals' format, both in length, type of organization etc.

Comparing the winning times for the east and west, the Montreal meet was by far the better meet with faster times in 25 events for only 7 in the west.

The stars of the east were the **MacManus** brothers from Windsor. **Brian**, 17 and **Tim** 15 dominated the men's events with four firsts for Brian and three for Tim.

Other top performers being London Y's **Alan Webster** winner of 400 free and 400 im, with seconds in the 200 free and 200 im.

Among the girls two were standouts. **Julie Daigneault**,12 of Pointe Claire bettered three NAG's in winning the 100-200-400 free events and became the youngest girl to better 1 minute for the 100 free. **Kathy Richardson**,14 of Toronto's Granite Club displayed versatility in winning the 800 free, 200 breast and 400 im, with seconds in 400 free and 200 fly.

In the team race, Pointe Claire handily won the meet, thanks largely to their score in the girls events. Windsor took the men's title.

Men	*Women*	*Comb.*
434 Windsor	798 Pt-Claire	878 PCSC
338 Etobico	513 Ott King	797 Etob
288 Swimtec	459 Etobico	558 Ott K

In the west, top individual men's honours were evenly shared by **Brad Dalke**,16 of Prince George winner of the 100-200 free with 2nd in the 400 free and a 3rd in the 50 free. While Edmonton's SSSC **Rick Burton**,18 took the 400-1500 free and 200 breast.

SHORT COURSE

TOP AGE GROUP TIMES (S.C.) 1978

Etobicoke Swim club emerged as the top age group club for the 1977-78 winter season.

They scored 1280 points and retain their first place rating which they also had last summer, increasing their score from 1115.

Finishing in the runner-up spot is Pointe Claire SC and Thunder Bay placed third.

Moving the fourth spot is the Canadian Dolphin SC, an improvement of one position, while the Hamilton-Wentworth A.C. surged from 20th place after the summer season in 1977 to fifth this winter, for the most improved showing among the 25 teams.

For the summer season of 1978, the 50 m TAG list period started in April, and the first monthly list will appear in the June issue.

We urge meet managers to follow carefully some of the procedures outlined herein:

— Include actual age of each competitor on the card in the space provided. *(Ask for age of swimmer in entry blank).*

— Send only cards that equal or better the published cut-off times. *(The Coaches Association INFO is where this list is available).*

— Send us the cards, **and the meet results**, we need these frequently to check for an event or other information that has been left off the cards, as soon as possible after the conclusion of the meet, **first class** mail to speed up delivery. Time is a big factor in why the list is delayed, we are usually held up by the late arrival of key meets.

THOUGHT FOR THE MONTH

"People can be divided into three groups:
those who make things happen;
those who watch things happen;
and those who wonder what happened."
taken from the St,Catharines "Downtowner"

VISITATIONS

March — R.Boadway and Patti-Jo McLellan attended the CIAU Championships held at the Etobicoke Olympium. Meet host was Robert Eyncn of the University of Western Ontario. The women's title was won by **Acadia** while Univ.of **Waterloo** won the men's title.

March — The Cambridge Aquatic Club held a general Meeting, March 21, 1978. Approximately twenty-five members attended. The leadership director outlined the programs & services operated by the CASA Ontario Section; prior to showing the new film "Take Your Mark" with Stephen Pickell Major converns within the club centered around initiative programs and services for the average club swimmer. Other concerns included the lack of media coverage for the Winter Nationals held in B.C., and the minimal provincial publicity for Swim-A-Thon, and the lack of support to swimming from the Education system. Some interesting fund raising ideas used by the Cambridge Aquatic Club include (a) the sale of poinsettas every Christmas (b) MacDonald's Breakfast vouchers were sold for a three day special. Tickets were sold for $1.00 for a breakfast voucher that retailed at $1.50. The swim club retained a percentage of the ticket price. (c) The same idea of the sale of vouchers was done in conjunction with "Mothers Pizza" as well.

Attendance at Saturday morning workouts has increased since head coach Jim Hardy, has invited parents to join in. One lane is set aside for parents to swim lengths while the swimmers train. Following the workout the lane lines are removed and both parents and swimmers enjoy a game of waterpolo.

April — The Central Region held a meeting April 6, 1978 in the Board Room at Sport Ontario, 559 Jarvis St., Toronto. Twenty-two persons attended representing thirteen clubs. Mr.Bernard McGrath of the Oakville A.C. was elected the new Regional Director for the Central Region.

April — The 1981 Canada Games Committee met with the sixteen Sport Governing Bodies involved in the Games, on April 2, 1978. Due to short notice, attendance was poor. Jack McKay, Administrative Director, and Patti-Jo McLellan, Leadership Director, attended on behalf of the CASA Ontario. President of the 1981 Canada Games Committee, Mr.Jerry Cook; Taras Kozyra, Chairman of the Management Committee; and Jim Rapino, Budget Co-ordinator were a few of the dignitaries present. Delegates from the Ministry of Culture and Recreation attending were Fraser Gray and Pat.

THE 1978 ANNUAL GENERAL MEETING AND CLUB EXECUTIVES MEETING

April 28 - 29, 1978
Howard Johnson Hotel, 801 Dixon Rd. Toronto

A hospitality evening was held Friday evening from 8:00 p.m. to midnight. Approximately 50 people attended this event to meet the 1977-78 Board of Directors and CASA Ontario staff, and pick-up their A.G.M. kits.

President, Coulter Osborne delivered his opening remarks to 76 delegates representing 46 clubs Saturday morning at 9:00 a.m. At this time the 1977-78 Board of Directors were introduced.

The first seminar sessions included Dr.George LeMaster's lecture on Diet and the Swimmer, and R.Boadway's presentation of the CASA Ontario's new Divisional Concept. Dr.LeMaster outlined the details of the investigation into athlete's diets currently being conducted at the Etobicoke Olympium. Athletes are examined on a regular basis and a number of medical tests are performed in order to monitor their diets during light and heavy training. Dr.LeMaster has submitted a brief nutrition information package to the CASA Ontario Resource Centre.

R.Boadway briefly outlined the new divisional concept to delegates attending the session. The floor was then opened for questions. At the conclusion of the session a quick show of hands indicated that the majority of delegates approved of this concept in principle.

Doug Fraser, of the CASA National, and Lorinda Parkes and Dave Heinbuch formed the two resource teams for the second seminar session. Doug Fraser presented the following major topics: National Grant Programs for 1978, 1979 and 1980. The floor was opened for questions, at which time, the Coaches' Apprenticeship Program, which is co-ordinated by the Coaches Association of Canada was discussed. The National Office will be publishing a handbook which will include the Grant and Tour programs. This will be mailed to each club on May 31, 1978.

Two nationally ranked swimmers, Lorinda Parkes and Dave Heinbuch, formed the contingent in the other seminar during the second session time slot. Lorinda, a nationally carded athlete, and a member of the 1977 Ontario team at the Canada Games in Newfoundland, outlined her training regime as a member of the Etobicoke Swim Club. Delegates were exposed to an average 24-hour day for a swimmer in heavy training, her likes and dislikes.

Dave Heinbuch, also a nationally carded athlete and National CIAU Champion, a member of the 1976 Olympic and 1975 Pan American Games Teams, discussed his swimming career in terms of the university program. Both swimmers agreed that one important enjoyment factor in swimming were the many life-long friendships established during their participation in the sport. Dave emphasized the second benefit . . . the healthy well-being that comes with physical fitness.

The third session provided delegates with seminars entitled "Wintario and the Ministry" and "Sport Medicine for Swimmers". Peter Moore, Director of Field Services of the Ministry of Culture and Recreation; John Thorsen, Manager of the Sports Program Section of the Sports and Fitness Division of the Ministry; Barb Track, Wintario Consultant, provided the expertise in the Wintario seminar.

Dr.Luke Teskey provided some insights into Sport Medicine for swimmers. The major swimming problems examined were shoulder and knee ailments. The real challenge for Dr. Teskey, an Orthopaedic Surgeon, is to keep swimmers competing . . . to treat the injury in such a way as to allow the athlete to continue training without detrimental effects.

Six manufacturers set up displays, providing delegates with a preview of the new lines of equipment, bathing suits and warm-up suits. Those participating included:

Swimmers' World — P.Richards
Chronometric Company — C.Bowes
Ports of Sport Ltd — S.Bardowell
Bulova Watches — K.Hutchison
Burkap Ltd.(Sportskin) — S.Kaplan
Speedo Canada — S.Carlyle

OFFICIALS CORNER
GUIDELINES

An official at a swim meet should have a very clear understanding of why he is there. His attitude towards his assignement is the key to the successful performance of his duties.

Swim meets are held for swimmers; officials are there to assist the swimmers by providing adequate technical supervision for the meet. They act to ensure that no swimmer gains an unfair advantage over another and that the actions of one swimmer do not interfere with the performance of another. Officials are there to serve in the best interests of each participant.

Officials and officiating should be unobtrusive and inconspicuous as possible. Officials should not be military in their authority, but assume their responsibilities in a

manner which will command acceptance and respect for their decisions. They must earn the support of the swimmers, coaches, parents and spectators, by the way in which they carry out their arguments.

Officials should always remember that they are on deck to do a job. The swimmer in the water deserves to be taken seriously at every level of competition and to be given the opportunity to perform to the best of his ability.

A commitment to this philosophy leads to a personal assessment of one's capability to perform well on deck in the assigned role.

A willingness to consult with others and to continually study the current working rules is essential. The ongoing process of learning and training is as important for a good official as it is for a good swimmer.

Maple Leaf Youth Fitness —Strength and Performance Programs.

Most coaches, educators and researchers all agree that strength is a major contributor to high level sport performance. Not only does physical strength enhance sport performance but research indicates it is also conducive to more efficient total body function — *Better Academic Achievment — Better Health — Less Injuries — Better Recuperative Power — Better Self Image.* In summary, the body functions more efficiently.

The main purpose of Maple Leaf Youth Fitness Strength & Performance Programs is to provide an opportunity for young athletes to improve their dynamic fitness levels, and their general knowledge and awareness of fitness during the summer vacation period. Expert instruction is provided from novice level up. General and specialized programs will be available according to aspirations of the individual athlete. Pre, mid and post program tests will be administered to establish goals and monitor individual progress.

The athletes, coaches and educators that make up our consultant and instructional faculty have all used weight training to enhance personal and team success.

DAVE STIRRUP NEW PRESIDENT

Dave Stirrup, Mississauga was elected President, CASA Ontario Section at the Ontario Annual General Meeting held April 29, 1978.

Dave served on the 1977-78 Board of Directors as 3rd Vice President which included being the liaison for the Administration Unit of CASA Ontario. Not being a new comer to swimming, Dave is respected and popular at all levels of the swimming fraternity, both National and International. Dave was the driving force behind this years' Swim-A-Thon program being both National and Provincial Chairman.

More recently, Dave was the meet manager for the Canada vs. USSR dual meet and was applauded by both Nations for his outstanding work. In accepting the chair, Dave thanked the new Board of Directors for their confidence with special thanks extended to outgoing President Coulter Osborne for his leadership and guidance during the past year.

Summary of meeting between Brian Cartlidge and Bob Boadway

Why the concept should be implemented

1. More competition at a higher level
2. More equalized competition amongst the clubs
3. Encourage clubs to upgrade their programs.
   a) by quantity
   b) by quality
4. More swimmers eligible. This is directly related to the number of competitiors allowed per club.

Club unity concepts

a) Current involvement
b) Young and old team members present at most meets together, modelling of young swimmers to old swimmers, propensity for staying in the sport, hedge (?) against recruitment
c) Development of officials
d) Utilization of Wintario funds is enhanced
e) Opportunity for talent identification

Summary Statement

It should be noted that the Divisional Concept is a developmental program for age group swimming; that is therefore the demise of the 'super club' in terms of age group swimming. It emphasizes senior quality swimming through participation in the overall development of the smaller clubs and referring back to the propensity for keeping older swimmers in the sport can help most clubs develop to a greater extent.

How does it work?

1. Divide clubs into groups. This will be accomplished through a rank ordering under the following topic areas:

a) Dollars spent by the club; their standing at the age group championships; number of swimmers qualified for the age group championships; number of registered swimmers; training hours available;
b) The rank order will then be divided up into the following numbers;

Division A—equally 15 clubs, 40 swimmers/club
Division AA—20 clubs, approx.30 swimmers/c
Division AAA—45 clubs, 15 swimmers/club

It should be noted that out of this, the numbers for each club are only diminished in accordance with their last number of swimmers at the age groups in one instance and that is with the Etobicoke SC. In all other cases, clubs are allowed more swimmers at the age groups and thus the obvious advantage of greater participation at the championships.

How many clubs per division?

This is based on the criteria that a maximum number of swimmers allowed at the meet will be 600 and therefore taking the previous numbers stated, of the swimmers per clubs and the clubs per division we come up with approximately 600 swimmers in each division.

N.B. There is also the possibility of expanding this concept into further divisions (Division IV)

Structure of Relays at the meet

It is suggested that an ultimate format be used as opposed to the present age group concept. This would help to keep the team concept uppermost within the Divisional concept as well as making it possible for clubs to utilize their swimmers on a more equalized basis as opposed to thinking that you had to have four 10 and unders from your club to make your relay, you could bring your best swimmers and not necessarily having an equal number of relays from each age group. This still would not affect your relay position and relay swimmers.

Movement between divisions

It is suggested that the movement would be the top two clubs from the lower divisions would move into the next two spaces in the upper division while the bottom two clubs from the upper division would move back to the lower division, on a yearly basis.

It is suggested that the best facilities possible be used for each divisional meet so as to involve using such equipment as the VTR Back-up system and electronic timing. This would promote the best end results, eliminating human error. A note here regarding the point that officiating is not being eliminated, but we should make the best use of the evolving technology.

Facilities

It is recommended that all three meets be held in 8-lane facilities, this would allow for a warm-up facility (during the finals at least) with electronic timing. Suggested facilities are: Brantford, Etobicoke, Sudbury, Nepean, Ottawa U, Thunder Bay and eventually the new pool at Univ.of Toronto. For outdoor meets it is recommended that Brantford, London, Samak and Waterloo be considered.

How to chose your team

The use of TAG list percentage chart for each age group would rate the relative ability of each swimmer in your team.

For further consideration:

1. Regional involvement
2. Movement of swimmers from one division to another
3. Actual age groups
4. Awards
5. Potential for Wintario funding

Nombre de finalistes (épreuves individuelles)
Femmes — 24 Hommes — 22

Nombre de finalistes de consolation
Femmes — 28 Hommes — 24

Considérant qu'il y avait cent soixante-deux (162) entrées, les pourcentages de non-réussite quant aux standards, furent les suivants:
Femmes: 24/83 soit 28%
Hommes: 13/79 soit 16%

Pourcentage de réussite:
Le pourcentage de réussite est basé sur le nombre de fois que les nageurs ont amélioré le temps d'entrée qui, ordinairement, est leur meilleure performance 1977-78.
Femmes — 54% Hommes — 68%

Conclusion:

Je crois que ces quelques chiffres et les résultats qui suivent, nous démontrent que les performances de nos athlètes aux Championnats Canadiens furent satisfaisantes.

Il faut se réjouir bien honnêtement des performances de nos hommes qui pour la première fois, ont éclipsé les femmes au classement général. C'est de bon augure, car nous savons que nos jeunes filles ont déjà atteint un calibre international.

N.B. Durant le mois de mars, soit à l'occasion des Championnats Senior, Canadiens Seniors et Division II, nos athlètes ont abaissé cinquante-cinq (55) records du Ouébec, dix (10) records canadiens et une (1) meilleure performance mondiale au 100 m papillon par Wendy Ouirk.

CHAMPIONNATS CANADIENS DIVISION II 31 mars, 1er et 2 avril 1978

Les athlètes québécois qui ont participé aux Championnats Division II ont connu du succès. Tous et chacun semblaient très satisfaits des résultats et de l'excellent travail du club organisateur "CAMO". Voir une analyse des résultats.

CHAMPIONNATS PROVINCIAUX GROUPES D'AGE, 14-16 avril, 1978

Pour une des premières fois depuis longetemps, nos Championnats Groupes d'âge, ont été organisé avec le décorum propre à un championnat. On ne peut passer sous silence, le travail du président du comité organisateur monsieur Claude St-Germain ainsi que le comité de parents. Malgré l'appréhension de plusieurs quant au fait que cette rencontre se tenait dans (1) bassin, on peut dire que le gérant de la rencontre monsieur Jocelyn Paul, s'est très bien tiré d'affaire. Même s'il n'y a pas eu plusieurs records provinciaux d'abaissés, les performances réussies furent quand même excellentes. Pour évaluer le succès d'une telle compétition, il faudrait considérer ou calculer le nombre de fois qu'un nageur a amélioré sa performance. Avec 46 équipes et 1800 entrées, c'est assez difficile à faire.

Pointage par équipe

1. PCSC	461
2. CAMO	449
3. CN Mtl-Nord	216
4. LAVAL	189
5. Beaconsfield BF	112
6. C.A.B.R.	94

J'aimerais quand même féliciter les gagnants de catégories et aussi Pointe-Claire qui a remporté la coupe C.J.S.O. de même que CAMO qui a livre une belle lutte.

Athlètes par excellence aux Championnats

11-12 fille	Michèle Coulombe	Mtl-Nord
11-12 garçon	Michel Ladouceur	St-Eustache
13-14 fille	Nathalie Gingras	CAMO
13-14 garçon	Bernard L'Heureux	Mtl-Nord
15.17 femme	Cynthia Pincott	Cowansville
15-17 garçon	Gordie Overing	CAMO

La compagnie SPEEDO a remis un maillot de bain aux gagnants alors que les autobus BONIN remettaient un trphée.

RENCONTRES PROVINCIALES B

D'après les commentaires reçus, on ne peut que féliciter les organisateurs de ces deux compétitions de développement. Ces rencontres ont pour but d'aider les athlètes à réaliser des temps "A" en vue des Championnats Provinciaux Groupes d'âge, et clôturent jusqu'à un certain point la saison hivernale du nageur "B".

Vous constaterez après une analyse rapide des résultats, qu'il y encore des gens qui ne comprennent pas vraiment les objectifs visés. D'apres moi, il y a beaucoup trop de temps "C" par rapport aux temps "A".

Section Ouest: Montréal-Nord, les 24-26 mars 78
Nombre d'équipes qui ont participé: 35
Nombre d'entrées: 1,942
Nombre de temps "A" : 248
Nombre de temps "B" : 1.068
Nombre de temps "C" : 626

Section Est: Alma les 24-26 mars 1978
Nombre d'équipes qui ont participé: 16
Nombre d'entrées: 1,126
Nombre de temps "A" : 48
Nombre de temps "B" : 425
Nombre de temps "C" : 653

COMPETITIONS A VENIR

Le calendrier de compétition sera assez chargé cet été, et je crois que c'est heureux. Comme on l'a souvent répété, il est important que les nageurs s'entraînent l'été, puisqu'ils n'ont pas à se préoccuper des études le transport est plus facile et les périodes de repos plus longues. Il est important à ce stade de l'année, que les entraîneurs et les nageurs revisent leurs objectifs et qu'il y ait un peu plus d'intensité au niveau de l'entraînement.

Il faut donc prévoir:

— la **compétition RIO** les 19, 20 et 21 mai, qui s'adressera aux groupes d'âge et aux athlètes seniors.

— **Opération Moscou** les 23, 24 et 25 juin. compétition provinciale qui permettra aux régions de se mesurer et surtout d'identifier les meilleurs nageurs de la région indépendamment de leur âge.

— **Lachine 300** les 21, 22 et 23 juillet compétition qui se déroulera au parc Lasalle de Lachine donc à l'extérieur et en bassin de 50 m.

— **Pointe-Claire invitation** 28, 29 et 30 juillet. rencontre pour les nageurs seniors et groupes d'âge. Ce sera donc une des dernières opportunités pour les athlètes de réussir les standards en vue des Championnats Canadiens Seniors et Division II.

— **Championnats Provincial Groupes d'âge** 4, 5 et 6 août. L'endroit où sera tenu cette rencontre n'a pas encore été déterminé. Elle se déroulera en bassin de 50 mètres. Les clubs intéressés à tenir cette rencontre sont priés de soumettre une application.

— **Championnats Division II**, 10, 11, 12 et 13 août Etobicoke, Ontario

— **Championnats Canadiens Seniors,** 15-19 août Etobicoke, Ontario

— **Jeux du Québec** à Joliette du 24 au 27 août.

N.B. Il serait souhaitable qu'il y ait deux rencontres provinciales "B" en juillet. Les dates pourraient être les 14, 15 et 16 juillet. Tout comme celles organisées en mars, ces rencontres serviraient de préparation pour les athlètes "B" qui veulent participer aux championnats groupes d'âge. En autant que possible, il faudrait prévoir que ces compétitions se tiendraient en bassin de 50 mètres.

Plusieurs autres clubs ont aussi manifesté l'intention d'organiser des rencontres. Dans le moment, il y aurait place pour des rencontres provinciales ou régionales "Bout de chou" en juin, juillet et août.

JEUX DU QUEBEC — Joliette,24-27 août, 1978

Suite aux récents changements concernant les Jeux du Québec, j'aimerais apporter quelques éclaircissements. D'abord, voici le texte de la résolution acceptée par les directeurs de la Fédération.

"Les Jeux du Québec s'adressent à tous les athlètes de la Fédération à l'exception de tous les nageurs qui ont été membre de l'équipe du Québec depuis l'année 1978, tous les nageurs qui ont participé aux Championnats Seniors, aux Championnats Division II et aux Championnats Canadiens.

Les Jeux du Québec s'adressent aux catégories 9 & 10 ans, 11 & 12 ans et 13 & 14 ans. Le nombre de nageurs dans une équipe sera le même soit 32 athlètes; quant aux catégories, il y aura soit 12 athlètes chez les 9 & 10 ans, 12 athlètes chez les 11 & 12 ans, et 8 athlètes chez les 13 & 14 ans.

Le programme des épreuves sera le même pour toutes les catégories: 100-200 m libre, 100 m dos, 100 m papillon, 100 m brasse, 200 m quatre nages, 200 m relais quatre nage et 200 m relais libre."

Comme vous devez le savoir, les Jeux du Québec auront lieu à Joliette, et cette année, contrairement aux années précédentes. nous ferons parti du 3e bloc soit du 24 au 27 août 1978.

Plusieurs raisons ont amené les changements mentionnés plus haut. Contrairement à ce qu'on peut penser, les Jeux du Québec en tant que compétition de niveau B, ne constituaient pas un élément important du programme de développement. Il faut se référer aux régions qui ont gagné par le passé pour constater ce fait.

La Fédération de Natation a fait un honnête effort durant les années passées pour participer à la supposée philosophie des Jeux concernant le développement de la masse. L'an passé, à Sherbrooke, devant un problème qui n'était pas si important, la Société des Jeux n'a pas épaulé la Fédération et a tout fait pour conserver son image. Les décisions prises sans consulter la Fédération nous ont fait connaître leur vrai visage.

Avec la nouvelle philosophie des Jeux du Québec ou la compétition de natation ne se répètera qu'à tous les deux ans, il est donc assez difficile d'en faire un élément important de notre programme de développement.

Il a semblé aussi d'après les années passées, qu'il était difficile pour certaines régions de contrôler les temps "B". Les nouvelles catégories et règlements apporteront une amélioration dans ce sens.

Il a été pensé que les Jeux du Québec nètaient pas un élément important dans le développement des 15 & 17 ans. En effet, la Fédération doit trouver pour ces athlètes, un programme plus motivant que celui que se répète à tous les deux ans.

Contrairement à ceux qui pensent qu'il n'y a pas eu assez de consultation, ces changements n'ont été faits qu'à la suite de discussions avec les entraîneurs seniors lors de la réunion à Québec d'une recommandadtion de l'Association des Entraîneurs après des discussions très positives au bureau de direction de la Fédération.

D'autres recommandadtions très importantes ont aussi été faites et il serait souhaitable de les prendre en considération. Il a été recommandé,

— que chaque région identifie à la Fédération et au responsable des Jeux du Québec, une personne qui prendra toute la responsabilité du programme des Jeux du Québec dans sa région;
ex: Formation du comité de sélection, compétition régionale, publicité.

— que L'Association des Entraîneurs de Natation du Québec nomme un entraîneur dans chaque région qui participera à l'organisation et la planification de la finale régionale et qui sera aussi sur le comité organisateur et le comité de sélection de l'équipe;

— nous recommandons que la personne mandatée par la région pour l'organisation des Jeux du Québec soit présente à la finale régionale et fasse parti des accompagnants.

— que le comité des officiels de la Fédération voit à ce que la personne responsable des officiels lors de la finale provinciale à Joliette rencontre les normes désirées;

— que l'Association Régionale soit entièrement responsable de l'organisation de la finale régionale de même que des entrées des nageurs à la finale provinciale. Dans ce cas, les Conseils Régionaux de Loisirs n'apportent qu'un support selon les besoins de la région;

— que la Fédération de Natation du Québec nomme un délégué qui sera officiellement reconnu comme représentant de la Fédération lors de la finale provinciale.

CLINIQUE NIVEAU 1

Seulement quelques mots pour avertir ceux qui ont suivi la clinique de niveau 1 cette année de ne pas perdre patience. Ceux ou celles qui ont rencontré les exigences demandées, recevront leur certificat en mai. On nous a aussi confirme que le volume était sous presse et probablement prêt pour la 3e semaine de mai.

Nous prévoyons d'autres cliniques pour ceux qui n'ont pas eu la chance de participer cette année; soit une à Montréal, la fin de semiane du 9, 10 et 11 juin, et dans la région St-Louis (en anglais) la même fin de semaine et enfin une autre dans le cadre du camp d'été de Jean-Marie De Koninck, suivant les inscriptions reçues.

NOUVELLES . . .

Jean-Marie DeKoninck tiendra son camp annuel de natation au Peps du 9 au 21 juillet. Nous recommandons que les nageurs et entraîneurs que désirent se perfectionner y participent. Vous pouvez vous procurer une brochure en communiquant avec Jean-Marie DeKoninck au 1017 Belmont, Québec.

L'assemblée annuelle de la Fédération du Québec aura lieu les 16, 17 et 18 juin prochain alors que l'Association Canadienne tiendra la sienne les 3 et 4 juin.

Nous publierons dans la prochaine revue "Swim" les critères d'éligibilités pour les athlètes qui veulent se mériter un poste sur les programmes de l'Institut des Sports . . . Le responsable de la natation aux Jeux de Québec sera monsieur Marcel Marcoux, alors que le coordonnateur des Jeux sera monsieur Bernard Pelland, un personnage bien connu en natation . . . Les essais pour les Jeux du Commonwealth auront lieu à Régina du 5 au 9 juillet alors que les Jeux auront lieu à Edmonton du 3 -12 août. Si vous êtes en train de planifier vos vacances, pourquoi ne pas essayer d'y assister . . . Lors de la rencontre Canada-Russie, Wendy Quirk de Pointe-Claire a certainement été la vedette individuelle avec 4 médailles d'or. Elle mérite certainement nos félicitations.

N'oubliez pas que la rencontre "Bout de Choux" qui a lieu à Pointe-Claire le 7 mai débutera à 13:00 heures au lieu de 9:00 heures. Radio-Canada montrera les faits saillants de cette rencontre aux héros du samedi.

EQUIPE DU QUEBEC

La Rencontre Québec vs Provinces de l'Atlantique qui devait avoir lieu à St-Jean Terre-Neuve, aura lieu à Halifax en Nouvelle-Ecosse. Il serait assez long de vous en expliquer les raisons du changement; une autre fois peut-être, à l'occasion d'une rencontre lors d'une compétition . . . L'entraîneur-chef sera monsieur Tom Arusoo. Il sera assisté de mademoiselle Danielle Brault de Cowansville, et messieurs Pierre Bédard de Laval, Gille Doucet de Rimouski, Jean-Marc Losier de Gagnon, Philippe Leporé de Montréal-Nord, Pierre Charette de Valleyfield.

Nous devons remercier bien sincèrement la compagnie Eastern Provincial Airways, qui défrait le transport de tous les athlètes. Lors de voyages dans l'est du pays, je vous encourage à communiquer avec monsier John Musy, directeur des ventes et monsieur Marc Vézina représentant des ventes pour Eastern Provincial Airways à 636-3813.

Liste des athlètes qui participeront a la Rencontre de Natation Québec vs Provinces de l'Atlantique Halifax les 12, 13 et 14 mai 1978.

Canadian Round-Up

We have compiled the winners of the age group championships of 8 provinces, namely, Nova Scotia, New Brunswick, Quebec, Ontario, Manitoba, Saskatchewan, Alberta and British Columbia.

These winning times have been ranked in order of performance.

The most first places are by Ontario with 55, and the next nearest being Quebec with 13, BC with 9 and Manitoba 4.

Some interesting observations can be made with regards to these championships.

There doesn't seem to be a fixed time for these as you go across the country. For example Ontario held its meet in early February, while Quebec in mid-April with the others in between.

The events vary from province to province. In Quebec the 10 & unders are not part of the championships as of this year, while in Manitoba, Alberta and BC there is no 15-17 age group but Senior for 15 & over, or a separate Senior meet.

The events held in each province are also at variance, especially in the lower age groups, some provinces have 50's in the strokes while others have 200's (10 & under).

If there are less than 8 swimmers listed it means that in a given province the event was not held.

One curious observation is that swimmers from neighboring provinces show up and win, when they fail to place in their own home province.

A degree of co-operation should be made as to dates, event list, and eligibility for out-of-province swimmers.

Sprague's abilities speak louder than mere words

Ryan Sprague is the number one rated 100 flyer in Canada for the 11-12 year old category in the 78 short course TAG list.

Sprague has been competing with a severe handicap. He is a deaf-mute. Coached by Mrs.May Beattie at the Richmond,B.C. Aquanaut Swim Club who says "I just wave my hands and arms and he knows what I want him to do."

Ryan has been deaf since birth and his swimming accomplishments include many local B.C. and south of the border age group awards as well as selection to Canada's team which participated in the Federation of Silent Sports World Games, held in Rumania in July of 1977.

He competed at the Games in the 100, 200, 400 and 1500 free and reached the final in the 200 fly, inspite of being by far the youngest swimmer at the meet, being only 11 at the time.

Ryan lives with a distantly related great-aunt, who has been appointed his guardian.

At the recently held 78 Winter

Championships in B.C., Ryan won four titles in the 11-12 age group.

And he is rated as follows in TAG for the winter season:

100 free	1:01.5	6th
200 free	2:12.6	2nd
400 free	4:37.9	3rd
1500 free	18:25.2	4th
100 back	1:11.5	3rd
200 back	2:37.2	7th
100 breast	1:24.3	
200 breast	2:56.4	
100 fly	**1:08.1**	**1st**
200 fly	2:28.4	2nd
200 im	2:30.9	3rd
400 im	5:22.6	7th

COACHING POSITION

Foothills Swim Club of Calgary has a position open for an Assistant Coach for the 1978-79 season. Applicants must have previous experience, be willing to learn and be highly motivated. Responsibility will largely be in the area of developing an Age Group Squad. Salary is negotiable but position is only part time and applicant should be prepared to obtain other part time work.

Foothills Swim Club is an established, well organized Age Group Club with a high commitment to Senior Level swimming.

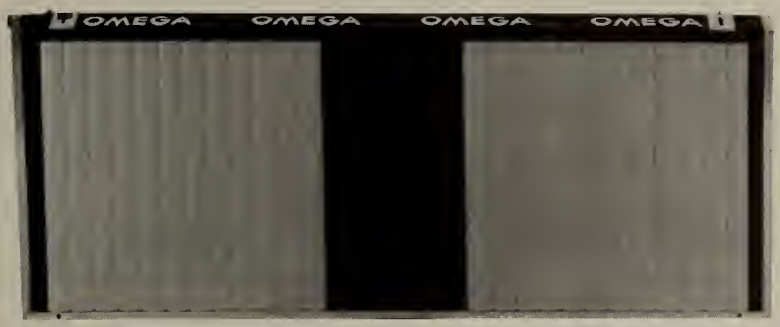
"I knew Omega's OSM-5 system was for me when I tested the Omega touchpad."

Don Watson
1977 National High School
Coach of the Year.



The Omega touchpad.

Don Watson is no stranger to electronic swim timing. He's coached swimmers through all levels of competition, from high school national championships to A.A.U. championship meets and the Olympics. He understands the importance of having a dependable timing system for everything from daily training to the judging of the final meets.

Don Watson

When Don started looking for a timing system that could meet the full range of his timing needs, he didn't waste any time guessing. He ran his own tests to find the system that was right for him. And he knew what to look for. He knew the touchpad is the most critical part of a timing system. The touchpad must be extremely sensitive and reliable for the system to be accurate and dependable. This is especially true for the younger age group swimmers who often touch the pad with much less force than more experienced competitors. Don's tests showed that the Omega touchpad is unequaled for performance and reliability for swimmers of every class.

Don Watson now owns an Omega OSM-5 timing system. He found the entire OSM-5 system lives up to the same standard of accuracy and dependability that put the Omega touchpad in a class of its own. And the OSM-5 system is in the same price range as the other systems.

Omega designed the OSM-5 for modern competitive swimming, from start to finish. The OSM-5 system will meet all your timing needs, from the simplest daily training to sophisticated timing and judging of competitive swimming.

The compact, lightweight, portable OSM-5 computer console is easy to set up and simple to operate. It produces an easy-to-read printout that records all your timing information. Split and final times for every lane are automatically counted and printed. And the console connects easily to a scoreboard for audience display.

Omega's OSM-5 console

What's more, the OSM-5 console is versatile enough for timing other sports as well as swimming. A few simple accessories adapt it to track, skiing, cycling, and equestrian events.

Seagull Inc. is proud to be the exclusive distributor of the Omega timing products for the United States and Canada. We agree with Don Watson's choice. We believe the OSM-5 is the finest portable timing system made. Our Canadian representative will be happy to discuss your specific timing needs. Letters

In the March issue of SWIM there are two letters, with which I am in total agreement. One is from *Bud Dixon*, Calgary Winter Club. To prove his point about coaches being paid, does not necessarily mean they are better coaches. I taught YM-YW and University of Manitoba for a pittance and produced several Canadian Champions; in addition Olympic, Pan Am, Commonwealth contenders. A pittance means $50 per month from the YWCA, 9 months per year and $5 from the University for one session per week for 4 months. When the Cardinal Swim Club was formed, I was dropped, owing I expect to age. Since then the Cardinal Club, (with all the YWCA swimmers who I had coached) have not produced one national champion. They have had several top name coaches including Firby, MacDonald, and the lad who left the club last month Tony Fraser.

The second letter is by *Bernard McGrath*, Oakville. I would like to write to him but I don't this address would find him. I am in perfect agreement with what he says. I have advocated High School swimming for years. Why the CASA doesn't start something like this I will never know. We have High School sports in nearly everything else, why not swimming? Lots of High School students would love to swim for their respective schools but are not quite good enough to compete in open competition. The school teachers do not want to start this, as it would mean extra work without extra pay, so it behoves the CASA to get moving; especially in Winnipeg.

Art "Pop" Sidwell
Winnipeg, Manitoba

Just to correct the statement in the letter re National Champions. Since 1967 the Cardinal SC has produced at least two home-grown titleists in Joanne dePape, who won the 100 fly in 1973 and Brian Phillips who won the 100 free between 1971 and 1974. There have been other Cardinal winners but they have been 'imports.'

I have just received my March SWIM and I see one of our swimmers is listed in TAG as representing the Regina Optimist Dolphins. Could you please check the two swimmers named below to see if they are listed with the proper club, the Red Deer Optimist Catalinas. I will make a special effort to see that lane cards are well marked to avoid future problems.

Sean Ouellet, 10 & under in all events and Steve Swanson, 11-12 100-200 breast.

Art Mellon, Coach
Red Deer Optimist Catalinas

In the March issue you published the results of the CIAU championships I don't think it was very fair to publish the finals and the first in the consolation for the men and only the first three places in the finals for the women. I think just as many results should have been published for the women.

In addition, in the women's 100 m back you have down that Marjorie MacDonald from Acadia placed second. This should be corrected as it was Mary Ellen McDonald from Acadia that was second.

Susan Chafe,
Gander, Newfoundland

Space is at a premium and the quality of women's swimming is not quite at the same level as the men's. In many events the 11-12 TAG list for girls is equal or better to the CIAU women.

Sorry about the error in the name, but the meet results left off first names and thus I guessed wrong.

I am writing to express our appreciation of your Association's gesture in sending a team of swimmers to Australia for our 1978 National Swimming Championships in Brisbane.

Your coach-manager, Mr.Nigel Kemp and the swimmers were very warmly received in Brisbane and were worthy ambassadors of your country. In addition their performances, although in some cases below their best because of the seasonal situation, were outstanding so far as our people were concerned.

I hope it might be possible for many such visits to be made in the future.

Pour faire suite à votre télex du 3 mars 1978, je vous remercie pour l'opportunité accordée à Marie-Claude Desmarais de participer à la compétition de natation qui s'est déroulée en Californie à Cupertino.

Cette compétition lui a permis de mériter une médaille d'argent au 200 mètres papillon. J'espère que nous aurons encore l'occasion de bénéficier à ce programme de développement.

The french section of SWIM in March 1978 provided us with an interesting article on shoulder and knee problems in competitive swimming. In the past, many articles have been published all over the world, dealing with these aspects of sports medicine.

I would like to point out that the 1977 IVth International Congress of Swimming Medicine, held in Stockholm, Sweden, in June 1977, provided the participants with some material on this particular aspect and to summarize briefly, Dr.J.Kennedy's paper on "The Orthopedic Aspects of Swimming" gave us an excellent view on the two popular theories explaining the "Swimmer's Shoulder" The MacNabe theory deals about what is known as "Avascularity" and focal cell death leading to a form of tendinitis of various tendons in the shoulder; the Neer theory, however, deals with the theory of "Inpingement" of the Supra-Spinatus tendon. It would be very boring to explain these two theories in detail to a non-medical group, but it does give an explanation to what actually happens in the "Swimmer's Shoulder." The Neer theory cannot be applied to the knee joint but the conservative treatements offered are very much alike.

It is hoped that all coaches in Canada do consider the "joints" problems in swimming very seriously and that they do not hesitate to consult medical opinion from people interested in the field.

One last word about treatement. It seems that a lot of swimmers in Canada get lots of "heat" in prophylactic (before race etc) treatments of various "joints" and "muscle groups." We should always remember that heat results in "vasodilatation" of all blood vessels and this could create problems for swimmers with "Shoulder and Knee Problems" because of this vicious cycle of PAIN-HEAT-VASODILATATION-PAIN. "Icing" has become more and more popular now and the results prove it clinically.

Hoping that this letter/article is of interest to coaches and swimmers.

I am writing re the Winter Nationals the underlying tone of the meet was extremely unsettling and warrants a closer look at.

Upon our arrival, Monday, the 13th until Thursday, the first day of competition, we did not have a swim in the competition pool. No attempt was made on the part of the organizers to have backstroke flags, lane ropes, adequate number of lanes available, etc., set-up for the practice sessions.

It seems to me that a closer scrutiny of the organizing committee's plans and the role of the hosting section and club, is necessary. What is the role of the National Office in the conduct of the Nationals? (The entire staff was at the meet.) The responsibility of the National Board of Directors is also a question since they are responsible for the allocation of the Nationals, and hopefully have the interests of the swimmers and swimming in mind.

The large number of disqualifications was also cause for concern. The point I wish to make is the inadequate system that currently exists in the present structure of the rules. Upon hearing of the dq. a coach has two courses of action: 1. Accept the dq., or; 2, Write a protest and take the matter to a jury of appeal.

At the present time, this is merely a perfunctionary task, as invariably the jury of appeal upholds the decision of the judge and the dq. stands. It boils down to the officials supporting each other come "hell or high water."

Who are these officials? What is their level of experience? What sort of direction has been given to them from the officiating committee? In one instance a turn official upon seeing a swimmer he had disqualified on a previous day, actually changed places with the official in that swimmer's lane so he could "watch him." (It wasn't even breaststroke.)

In view of the money spent to transport the teams to the meet, and the increased fees for entry and participation — payable to the host — I might add, we have come to expect a little more than a "no frills meet."

Dave Johnson,Women's Head Coach

Regarding to "what went wrong" at the recent Short Course Nationals in Vancouver.

From opinions expressed to me and a review of results there appeared to be an extremely high number of disqualifications, particularly on the final day.

Due to being involved with the Selection Committee on the 18th and 19th I was not able to witness the events on the last day where most of the dissatisfaction was expressed. A very close scrutiny of strokes usually reveals imperfections and violations in most swimmers, however, the interpretation of this into disqualification or acceptability must be based on the understanding of the primary purpose of officiating, which is to "ensure equal opportunity."

My personal feelings on a less intensive scrutiny for the international level was made clear at the Edmonton Officials workshop. The importance of our Nationals does seem to warrant the same respect.

I would hope for the development levels of swimming in all Sections would continue to have officiating satisfactory to their respective needs at the middle of the road, that is, when too lax it will be intensified, and when too intense that it will be eased.

To assist in providing safeguards against such a situation arising at future National Championships it may be advantageous that the positions of meet referee be given special attention with regard to consistency and intensity of scrutiny by officials, in the proposed Handbook on National Championships.

Speedo®
The suits that put on a great show
at the Canadian Championships,
the World Championships, the Olympics,

and on Pam Gergely down at the 'Y'.

Meet after meet, year after year, the great swimmers show up in Speedo suits. And you know why? Because they're nice and light for extra speed. Because they fit like a coat of spray paint. And feel just as good as they look.

But you know something? Those are the same reasons you should wear one, too. Whether you're working on your freestyle down at the 'Y,' canoeing down the river, or just jogging down the beach. So check the yellow pages, head for your swim or sports shop and try on a Speedo suit.

Then go put on a great show yourself. SPEEDO®
